Length of time programs have existed in WA

- Varies. Some have been in place for decade, some just a few years. New EHS sites are coming on now.

Administration & Funding

- Under CCF leadership, WA EBHV system was established in 2007
 - State agency, state dollars
 - Local match
- Now in transition
 - Creation of new "home visiting services account" controlled by Dept. of Early Learning leveraging private \$
 - Possible changes as part of planning for new federal \$

Key Stakeholders

- Home Visiting Coalition, state agencies (health, early learning, social services), foundations/private funders (Gates, United Way of King County)

System Strengths

- Established 'approach'
 - Preparation: definitions of evidence, outreach
 - Portfolio of qualifying programs
 - Co-learning
 - CQI for program development
 - Evaluation
- Legislative & funder commitment
- Home Visiting Coalition
