

Tuesday, December 2, 2008
National Infant & Toddler Child Care Initiative
Webinar

2 pm Eastern, 1 pm Central, 12 pm Mountain, and 11 am Pacific

Finding, Engaging and Supporting Family, Friend and Neighbor Caregivers: Promising Approaches

States and communities are challenged to find effective methods of outreach and appropriate support for family, friend, and neighbor (FFN) care in order to contribute to the healthy development of the young children in their care. This webinar will feature three presenters whose work is contributing to the development of promising approaches...

- Ruth Mayden, MSS, LSW, Director of Programs for Families with Young Children at the Annie E. Casey Foundation will share what the Foundation has been doing to support the development and sharing of knowledge of FFN care.
- Douglas Powell, PhD is the author of *Who's Watching the Babies? Improving the Quality of Family, Friend and Neighbor Care*. His book features methods and programs to reach FFN caregivers and to help them understand child development and the importance of providing a nurturing environment.
- Eva Marie Shivers, PhD, her recent work with FFN caregivers is being used to inform the development of materials that focus on the care of infants and toddlers.

The Child Care Bureau and the National Infant & Toddler Child Care Initiative ask you to hold this time open so you can join us on Tuesday, December 2, 2008 at 2:00 pm eastern time (1:00 pm central, 12:00 pm mountain, and 11:00 am pacific) for this web-based conference call. Registration information is listed below.

Question and answer session with webinar participants

Closing Remarks:

Dianne Stetson & Presenters

Space for this webinar is limited. If multiple people in your office would like to participate, we encourage you to have only one person register and your group can view the webinar together.

To join the webinar, you will need a computer with an Internet connection. You can listen to the conference over the Internet or by telephone. To ensure your web browser compatibility, please download and test the WebEx meeting manager prior to the event at <http://developers.webex.com/api/jointest/index.php>.

Feel free to pass this e-mail along to others who may be interested. Hope you can join us!

For questions about the webinar, contact Tracey Harding at tharding@zerotothree.org.
