

## The Next Horizon for Home Visiting Stakeholder Survey Questions

1. Please tell us about your work within the home visiting field.
2. In addition to expanding home visiting services to new families, what were states and communities able to with the additional funding provided by MIECHV?
3. How did the MIECHV funds foster innovation, both within home visiting programs and across the early childhood system?
4. As MIECHV has been implemented in states and communities, what challenges have arisen?
5. How could these challenges be addressed through changes in the federal MIECHV statute?
6. What gaps or new areas could MIECHV better address to help make services more effective for children and families?
7. What advocacy is needed as stakeholders look forward to MIECHV reauthorization efforts in 2017, including federal and state efforts?
8. How can we build on our successful joint advocacy efforts in 2015?
