

IECMH Consultation Cost Calculator Individual Cost Estimate Sample

Your customized IECMH individual consultant cost estimate:

This estimate assumes that laptops, program training, evaluation and database costs are being absorbed by consultation program not a contracted agency or individual consultant. If this is an individual consultant, they may incur some of the additional costs needed to provide service, including professional liability insurance. Estimates do not include share of cost of agency admin support, database build or maintenance, or marketing.

Name

Email

Organization

Salary and benefits **\$80,600.00**

Suggested salary estimate \$ 65,000.00

Estimated based on industry-standard calculation of benefits at 24% of salary.

Hourly contracted rate \$ 0.00

Individual professional development funds available per year **\$ 1,500.00**

Reflective supervision calculation **\$5,400.00**

Estimated hours each month of individual support 2

Estimated hours each month of supervisor preparation and planning 1

Months per year 12

Estimated reflective supervisor rate per hour \$ 150.00

Specialized reflective supervision calculation	\$5,400.00
---	-------------------

<i>Estimated hours each month of individual support</i>	2
---	---

<i>Estimated hours each month of supervisor preparation and planning</i>	1
--	---

<i>Months per year</i>	12
------------------------	----

<i>Estimated reflective supervision rate per hour</i>	\$ 150.00
---	-----------

Operating, supplies and small equipment expenses	\$ 200.00
---	------------------

Travel calculation	\$2,800.00
---------------------------	-------------------

<i>Reimbursement rate</i>	\$ 0.70
---------------------------	---------

<i>Miles each week</i>	100
------------------------	-----

<i>Weeks per year</i>	40
-----------------------	----

<i>Base travel rate if not reimbursed for mileage</i>	\$ 0.00
---	---------

Miscellaneous materials and screening tools	\$ 600.00
--	------------------

Database license	\$ 500.00
-------------------------	------------------

Endorsement, credentialing and membership	\$ 150.00
--	------------------

Other costs	\$ 0.00
--------------------	----------------

Indirect cost calculation	\$19,430.00
----------------------------------	--------------------

<i>Calculation rate</i>	.20
-------------------------	-----

The approach to calculating indirect costs will vary by organization. The default figure of 20% is the example average indirect charge of core individual costs, including personnel, professional development, supplies and tools, mileage, reflective supervision, specialized reflective supervision,

database use licenses, and credentialing. *If you would like to calculate indirect differently, you can use any percentage or zero here.
