Dear Valued Guest,

This is to inform you that the front entrance to the hotel is currently under construction as a brand-new front door is being installed. Although it will not be accessible during your stay, easy access to the hotel has been arranged.

Guests can continue to park in the garage. Simply pull into the garage, take a ticket, and park your vehicle. After parking, guests can come down the elevator and use the side entrance to access the lobby area.

For those being dropped off, the Paca Street entrance, located at 111 Paca Street, is now designated for this purpose.

Thank you for your understanding and patience during this time. If there are any questions, please reach out to the front office for assistance.

Regards,
Hotel Management
